

Park End Primary Service Premium Strategy Statement 2017-2018

Park End Primary School is a larger than average Primary School. There are 3 children currently eligible for Service Premium funding. We aim to put into place both pastoral support as required and targeted support to ensure that the service premium children make good progress and achieve good outcomes.

1. Summary Information	
School	Park End Primary
Academic Year	2017-2018
Total pupils	3
Total Service Premium Grant	£900

2. In school and external barriers to future attainment for pupils eligible for Service Premium
