

Primary PE and Sport Premium Report for 2015/16

The Primary PE and Sport Premium was launched by the government in April 2013 and is available for three years to July 2016. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE, sport and physical activity provision.

The national vision is for: *"All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport."*
