

Science Overview 2017-2018

Year Group Focus	Autumn 1	Autumn 2 History	Spring 1 Geography	Spring 2 Geography	Summer 1 Art/DT	Summer 2 Art/DT
Year 1	Materials and properties Grouping and comparing materials Needs of individuals		Healthy Eating Teeth dental hygiene Carnivores Herbivores Omnivores Fossils Classification-Mammals Reptiles amphibians Body Parts Structure of animals Sorting animals		Seasons Seasonal changes-change to spring. Sunrise and sunset Plants - similarities and differences Planting and growing	
Year 2	Working Scientifically Materials Making catapults Floating and Sinking Working Scientifically		Working Scientifically Habitats Life cycles & Animals		Working Scientifically Habitats Plants	
Year 3						
Year 4	Working Scientifically Sound	Working Scientifically States of matter	Working Scientifically Living things and their habitats Food chains	Working Scientifically Food chains Animal teeth Living things and their habitats	Working Scientifically Animals, including humans (human teeth and digestion)	Working Scientifically Electricity
Year 5	Working Scientifically Animals (humans) - changes as we age Materials	Working Scientifically Materials	Working Scientifically Living Things and their Habitats	Working Scientifically Forces	Working Scientifically Earth and Space	
Year 6	Working Scientifically Electricity	Working Scientifically Light and sound	Working Scientifically Animals- including humans	Working Scientifically Living things and habitats - adaptation	Working Scientifically Evolution and Inheritance
