Primary Curriculum

Brazilian Culture

Following on from last half term, the children will continue to explore aspects of Brazilian culture. Children will use their research skills to understand what life is like in Brazil. We will participate in a range of exciting activities linked to the Olympic Games.

Autograph Books

Children will have the opportunity to buy autograph books. They will be able to collect messages and memories during their last week at Park End. Further information will be sent out regarding these shortly.

PE

This half term children will be developing their skills in athletics. Children will take part in various track and field activities. Please ensure your child has both indoor and outdoor PE kits in school at all times.

Year 6 SATs

We would like to say a huge well done to the children for their hard work and effort during this year's SATs week. The week ran smoothly and the children worked extremely hard. We would also like to thank parents for their support.

Attendance

It is important that your child comes to school every day. We have lots of important events coming up for the Year 6 children which we are sure they do not want to miss!
