Autumn 1

This half term our topic is:
Why do you love me so much?

We would like to welcome back all of the children who are returning to nursery and give a big welcome to all of our new children who will be joining us this term. We hope that your child will settle into our Nursery and we look forward to a happy partnership with you. If you have any worries or concerns please see your child's Key Worker.

Home loan books

If you and your child would like to borrow a book from school, please choose a book from the shelf in the cloakroom and write down the title on the sheet in your child's book bag. When you have shared 10, 20, 30 etc. books please hand the sheet to your child's key worker so that they can reward your child with a special reading sticker.

Proud Petals

We are very interested to hear about special events in your child's home life, such as new babies, visits and achievements. Please complete a 'petal' form so that we can share the experience with them at Nursery.

Name Labels

It is really important that you label your child's clothing. Please put your child's name in their trousers, jumpers, coats and skirts.

Labelled clothes will help avoid any items getting mixed up with another child's.

Autumn Weather

Even though it will be getting cooler now, we will still be going outside. The children need to wear appropriate clothes for the weather conditions. We have our own wellies within Nursery, but if you would prefer to bring your own wellies please make sure they are named and in a bag (which can be left on their peg).

Please Remember

The doors for morning Nursery open at 8.45 am and close at 9am. The doors for afternoon Nursery open at 12.15 pm and close at 12.30pm. After these times, please use the main entrance. We open the door from 11.30am to 11.45am at the end of the morning session and from 3.00pm to 3.15pm for the afternoon session. If someone different will be collecting your child, please let us know their name because people who are not known to us are not able to collect children from Nursery. In addition to this, children under the age of 16 will not be allowed to collect children. It is a busy time when we open the door, so for the safety of our children please wait patiently while we call their names individually.
