

Year 2

Autumn 2 Newsletter

Topic

This term our topic is **Land Ahoy**. We will be learning about famous sea explorers and pirates.

We will also be reading books about pirates and the sea and developing our story and information writing.

Visit - Hartlepool Maritime Experience

To link in with our topic on pirates, we visited the Hartlepool Maritime Experience to learn about life on-board a ship. We had a brilliant time and the children were really well behaved.

Science

In Science we will be learning about floating and sinking. We will also be looking at how we record science investigations using tables and graphs.

Outdoor PE

As the weather is getting colder now, can we please ask that your child has an outdoor PE kit?

The kit consists of a navy blue hoodie, navy jogging bottoms and trainers. Hoodies and jogging bottoms can be purchased from school, priced £5.00 each.
