

# Nursery Spring 1 Newsletter

This half term our topic is *'Did Dragons Exist?'*

**Welcome back** to another exciting term in Nursery.  
We hope you all enjoyed the autumn term and all the excitement over the Christmas period.

## Topic

This term we will be learning all about imaginative worlds. Did dragons exist? We will be reading the story 'The Princess and the Dragon' and there will be a role play area for children to act out the story.

We will also be exploring what happens in winter. The children will be exploring seasonal changes, melting and freezing.

## Maths

This half term we will be continuing to do lots of counting with more emphasis on number recognition. We will also be looking at shapes, so have a look around your home to see which different shapes you can see. For example, a clock is usually a circle and windows are often rectangles.

## Model making

We welcome any contributions towards our model making area, which can include yoghurt pots and other plastic containers. The children also enjoy adding different materials to their designs (such as feathers, straws, buttons, sequins, tissue paper and felt), so donations of this kind would be greatly appreciated. Please keep in mind that we are a nut free school.

## Pupil of the Week

Well done to all of those children who have achieved Pupil of the Week so far this year. Don't forget your child needs to do the following things to achieve this award:

- Be prepared, and dress correctly for school
- Come to school on time everyday
- Always behave well
- Work hard at home and school

**Chinese New Year celebrations - Friday 27<sup>th</sup> January.** We will learn about China and their New Year celebrations during this week.

**Shrove Tuesday - Tuesday 28<sup>th</sup> February.** We will have a pancake race in the outdoor area on this day!
