

# Year 2 Newsletter

Spring 1 2017

Welcome back to a new term in Year 2.  
We hope you all had a lovely  
Christmas.

## Location, Location, Location!

We are all explorers in this topic, on adventures to places like Australia, Antarctica and the Amazon jungle. We use our mapping and research skills to learn what life is like in these places and become real weather reporters! We visit famous cities and landmarks and study the work of famous artists from around the world.

In English, we will be writing stories using Talk for Writing. We will be writing persuasive letters and creating a passport with written accounts of all the places we visit.

In Maths, we will be adding and subtracting money, and measuring and learning about fractions.  
Please help your child to learn their times tables.

## Homework

Well done for all of the homework completed so far. We have attached the Year 1 and 2 tricky words to this newsletter as your child needs to be able to read and spell these words by the end of the year.

Please help your child to learn them.
