

Year 6

Spring 1 Newsletter

This half term our topic is Frozen Kingdom.

Topic

Brrrrr! Things will be getting chilly in year 6 this half term as we go on adventure across the Polar Regions. Children will discover the magnificent mammals that roam the Polar Regions and will find out how they are equipped to survive there.

Happy New Year from all of the Year 6 staff! We hope you enjoyed a lovely Christmas and New Year. We welcome you back to school and we look forward to working with you and your children this half term.

English

In English this half term, we are going to be writing our own short stories about magic and mythical creatures. Children will focus on bringing their stories to life through their effective and powerful word choices. We can't wait to read them!

Reading

Well done to the children who have received awards for their Renaissance Reading points so far! We encourage all children to continue reading at home regularly in order to further develop their reading skills and gain lots of points from quizzes.

Pupil of the Week

Well done to all of those children who have achieved Pupil of the Week so far this year. Don't forget your child needs to do the following things to achieve this award:

- Be prepared, and dress correctly for school
- Come to school on time everyday
- Always behave well
- Work hard at home and school

Geography

This half term, geography will be a key focus of our work on an afternoon. Children will learn how to use the eight points of a compass and how to give six figure grid references.

PE Kits

Please can all children ensure they have an indoor and outdoor PE kit in school each week ready for their PE lessons.

Design and Technology

During our D&T lessons this half term, children will have the chance to design and build their own igloos. Whose igloo will withstand the artic elements?
