

Saplings Newsletter

Spring 2

This half term our topic is 'Are eggs alive?'

This half term we will see the start of spring and we will be focusing lots of our work around this. We will be looking out for signs of the start of spring around our environment and sowing some seeds of our very own. Watch out for the frog spawn that will hopefully be arriving in nursery very soon.

Stay and Play

Come and play and be part of your child's learning. Play a game, share a book or get creative in the sticking area.

Stay and play will be starting on
Thursday 9th March.

Morning nursery 8.45am - 9.30am

Afternoon nursery 12.15pm - 1.00pm

You are welcome to stay and play every
Thursday.

Pupil of the Week

Well done to all of those children who have achieved Pupil of the Week so far this year. Don't forget your child needs to do the following things to achieve this award:

- Be prepared, and dress correctly for school
- Come to school on time everyday
- Always behave well
- Work hard at home and school

Home loan books

There is lots of fantastic reading going on and lots of children have been rewarded with special reading stickers.

Please remember to hand your child's reading record to their key worker when you have shared 10, 20, 30 etc. books so that they can reward your child with a special reading sticker.

Out in all weathers

We play outside every day, even if it's raining, cold and windy. Please make sure your child is dressed appropriately with hat, scarf, mittens and a waterproof coat.
