PARENTS' CONSULTATION EVENING

Parents' consultation evenings are the week of 14th-18th October. If you have not been given an appointment time, please speak with your child's class teacher. Please enter school through your child's classroom door for your appointment.

WELLIES

As we are heading towards the colder, wetter months, please send a pair of wellies with your child to school so children can continue to be outside and access the field at all times.

DOGS TRUST

Dogs Trust are visiting our school on 16th October to deliver Be Dog Smart workshops to the children, teaching them how to be safe around dogs. Following the visit, Rachael will be in the school playground between 2:45 and 3.45pm to speak with parents and carers about all things dog!

Please do pop along to speak with Rachael about Dogs Trust services in our area, such as their free behaviour support line, how to access training services or anything else dog related!

Please note that this is a dog-free event. As usual, no dogs are allowed on school grounds.
